# COMMUNITY VISIONING SESSIONS

October 20-25, 2025

## SEEKING SPRINGFIELD COMMUNITY INPUT

Springfield 2051 kicked off with a public launch, followed by 21 in-depth listening sessions across Springfield in August and September. The Springfield 2051 Think-Tank was held over two sessions on September 19 and 26. The Think-Tank workshops included future macro global trends and the impact on Springfield. The second Think-Tank workshop worked on future scenarios for Springfield looking out to 2051. The Think-Tank concluded with attendees selecting their preferred future for Springfield in 2051.

Now we want to hear from the entire Springfield and Clark County community! Community Visioning Sessions are taking place October 20-25 to present and discuss the Think-Tank findings. Join a session to consider the potential future scenarios for Springfield and Clark County, contribute your ideas, and let us know your preferred future.

## AGENDA

- 20 minutes: Overview of project background and work to date
- 20 minutes: Overview of Think-Tank process and outcomes
- 20 minutes: Group discussion and short survey
